

# Certificate of Temporary Approval

We herewith certify that

**OFFICINE DE ANTONI s.r.l**

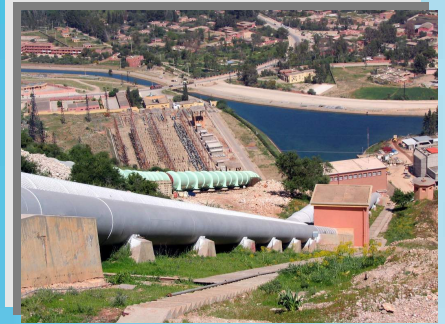

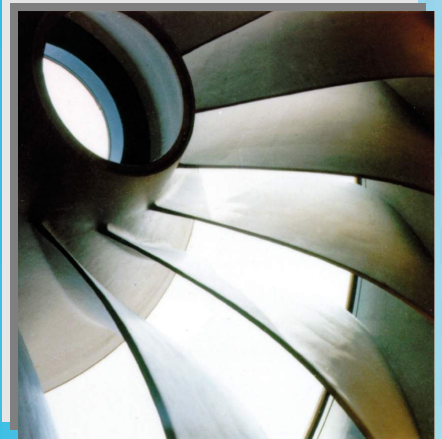

Via Marzotto, 9  
36030 Povolaro (VI)  
Italy

Supplier Reg. ID: amid505930

is registered as a temporary approved supplier  
to Alstom Power Hydro for Heavy Welded Structures.  
The complete status of the actions requested during the audit  
(HEU-SQ-80) and the positive evaluation of the execution of  
the first order will provide the full qualification.

Issued in December 2011, Grenoble, France  
Expires in January 2013, conditional to no changes to the  
organisation, design, production and sourcing & logistic  
processes of the supplier
